

# Top Facts for Buying PSC:

## VS1200™

### 1 High Quality Performance From An On-Counter Scanner

- Over 100,000 units installed worldwide
- A dedicated vertical scanner built for high volume, rugged environments
- ABS Polycarbonate cast chassis provides high reliability
- Withstand multiple 3' / 1 m drops to concrete

### 2 Flexible Programming Capability Includes Edge™ Decode Software

- Reads torn and disfigured bar codes
- Reads overprinted and underprinted bar codes
- Autodiscriminates all popular bar codes including Italian Pharmacode
- Adjustable 'Sleep' mode extends motor and laser life

### 3 Integrated Mount Serves Form While Functional

- Slide and Lock component provides cover for power and cable connections
- Secondary protection against dirt and debris

### 4 High Value Options

- Sapphire Glass or Wear Resistant Glass option for replacement glass
- Checkpoint® ready EAS antenna option installed at factory or as a field upgrade kit

### 5 Serviceability & Easy Maintenance by Design

- Built-in diagnostics and display indicate failed assemblies with 98% accuracy
- Modular components allow field replacement by trained technicians
- Top glass can be changed in 15 seconds
- Rubber gaskets prevent liquid spill and debris contamination to cable and power connections

## PSC's VS1200™ is clearly superior to the competition:

### Symbol LS5700

#### The VS1200 has:

- ABS Polycarbonate chassis provides high reliability
- Sealed lower window and chassis resists spills and debris
- On Board diagnostics allow easier field service and problem isolation
- Multiple mount options include: riser, tilt, & Panavise swivel

### Metrologic MS700i

#### The VS1200 has:

- Much higher throughput with Edge decoding
- ABS Polycarbonate chassis provides high reliability
- Sealed lower window and chassis resists spills and debris
- On Board diagnostics allow easier field service and problem isolation

### NCR 7880

#### The VS1200 has:

- Much higher throughput with Edge decoding
- ABS Polycarbonate chassis provides high reliability
- Sealed lower window and chassis resists spills and debris
- On Board diagnostics allow easier field service and problem isolation

The **VS1200™** compact, vertical scanner combines aggressive performance and rugged durability providing maximum value to retailers. The VS1200 is ideal for:

Supermarkets  
Hypermarkets  
Drug Store / Pharmacy Centers  
Wholesale Clubs
